

WELCOME TO “SELF PORTRAIT CAPE COD”

The Arts Foundation of Cape Cod is pleased to welcome each of you to this unique exhibit. We are proud to present over fifty-five of Cape Cod’s finest artists displaying works they created in their own image. *Self Portrait Cape Cod* is the second annual event of the Arts Education Initiative of the Arts Foundation of Cape Cod. By displaying a wide variety of interpretations of the self portrait, the exhibit highlights the many different ways in which artists approach the creation of a self portrait, in a variety of different media, and at different stages of life. Conceived and curated with children in mind, *Self Portrait Cape Cod* confirms the importance of arts education at all stages of our growth as creative individuals.

The Arts Foundation of Cape Cod recognizes that creativity requires constant nurturing and support from the entire community in order to thrive. The Arts Education Initiative establishes a much-needed mechanism to identify, create, and provide that support for students of all ages in every sector of our community.

Our Arts Education Task Force is composed of leaders in the fields of education in the visual, written, and performing arts. The task force is working to foster collaboration and share educational resources across the region; to achieve greater access for all to arts education via scholarships and grants; and to provide professional development opportunities for the dedicated arts educators who serve our children and life-long learners.

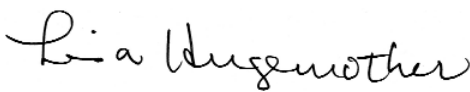

It is our hope that this exhibit will serve as a catalyst for the greater, more permanent work that will follow: a new, regional effort that strengthens the arts in our schools, expands the creative capacities of our families, and enriches the cultural life of Cape Cod residents and visitors alike.

We extend our sincere gratitude to each of the participating artists for sharing themselves and their work. We are grateful to College PayWay for underwriting this exhibit and for their ongoing support of our Arts Education Initiative. We also wish to express our thanks to our many other corporate, business and individual supporters whose generosity allows us to provide essential services and programming for aspiring, emerging and established artists and artisans living and working on Cape Cod 365 days a year.

Sincerely,

Margaret G. Van Sciver

ARTS EDUCATION INITIATIVE

The exhibit *Self Portrait Cape Cod* is the second annual event of the Arts Foundation of Cape Cod's Arts Education Initiative, which aims to foster excellence and collaboration in arts education on Cape Cod.

The Arts Foundation of Cape Cod's Arts Education Initiative is:

- ◆ Creating a searchable and current database of arts education opportunities for all age groups offered by public and private providers on Cape Cod;
- ◆ Facilitating networking and professional development among arts educators to promote quality arts education;
- ◆ Advocating for maintaining and expanding arts education opportunities for learners of all ages; and
- ◆ Pursuing opportunities for grant writing and grant funding to further the objectives of the Arts Education Initiative.

The Arts Foundation of Cape Cod's Arts Education Task Force comprises arts education leaders from the public and private sectors across Barnstable County who are committed to collaborative efforts to improve the quality of art instruction for learners of all ages and to expand the access of learners to those programs.

ABOUT THE EXHIBIT

Pablo Picasso asked: “Are we to paint what’s on the face, what’s inside the face, or what’s behind it?”

When we were babies we stared at mirrors and we were mesmerized.

As we mature we continue to be fascinated by our own reflection.

The fifty-five artists displaying their self portraits in this exhibit each have answered Picasso’s question.

What do you see when you look at yourself?

Mirrors have been placed throughout this exhibit so that you can answer.

- ◆ Promotes and publicizes the creative economy on Cape Cod through the *Everything Arts* guide, published twice a year in *Cape Cod Life* magazine, and online at www.artsfoundation.org
- ◆ Produces significant cultural events celebrating Cape Cod's art and culture, including the TD Banknorth Pops by the Sea, the Citizens Bank Summer Concert Series, Fall for the Arts, and Cape Cod Maritime Days
