**ART TOUR** – On Jan. 15, third graders from Centerville Elementary enjoyed a fantastic morning at the Cotuit Center for the Arts with a tour of the "First Things First" Cape Artist Exhibit. Students also created an art project in the studio (above). Cathrine Macort from the Cape Cod Arts Foundation was our tour guide and she was wonderful.

**FRAMED** – Andrew Abraham and Ben Poepsel are the two boys getting a lesson on composition cropping from Cathrine Macort of Cape Cod Arts Foundation.

**IN THE MIDDLE** – Third grader Eli Avilla expresses his enthusiasm.
