## Falmouth Artists Guild to Receive Award

The Arts Foundation of Cape Cod announced the 2010 Annual Creative Community Awards:

- Arts Educator of the Year: Daniel Springer, Dennis-Yarmouth Regional HS
- Collaborative Arts Project of the Year: Falmouth Artists Guild Community Outreach
- Community Leadership in Support of the Arts: State Senator Robert O'Leary
- Lifetime Achievement Award: Maestro Royston Nash

The Falmouth Artists Guild is thrilled to be recognized for our community outreach initiatives and collaborations. The Falmouth Artists Guild has initiated the ArtShare project, a community arts education program building upon partnerships with local schools and adult support agencies such as Fairwinds Clubhouse. ArtShare offers local K-12 students and adults with special needs opportunities for creative self-expression in a group environment through programs such as the Saori Weaving Initiative.

The award recipients will be honored at the Arts Foundation of Cape Cod's Third Annual Creative Collaborative Conference and Awards Reception, to be held at the Cape Codder Resort and Spa on Thursday, March 25, 2010. The creative community of Cape Cod will gather for a full day of presentations, panel discussions, displays, and activities to celebrate the best and brightest of the region's arts and culture, culminating in an evening awards reception. This year's schedule includes a rare opportunity to convene and dialogue with the region's media leaders. For more information call the Arts Foundation of Cape Cod at 508-362-0066 or visit [www.artsfoundation.org](http://www.artsfoundation.org).
