Pops by the Sea: Boston, Plymouth and Cape Cod

Tri-State Travel

July 30-August 3, 2010

Take the history, charm, and scenic beauty of Boston, Plymouth, and Cape Cod, then add a performance by the beloved Boston Pops Orchestra, and you have the ingredients for a wonderful travel experience. For the 25th consecutive year, the Boston Pops will conduct a concert on Hyannis Green on Cape Cod, and we will have reserved seats! Your five-day package also includes a tour of the historic city of Boston, a brief stop at Harvard University, a chance to explore Cape Cod with a visit to Sandwich (the oldest community on the Cape), and time at the Kennedy Memorial in Hyannis. A visit to the Mayflower II, a whale watch cruise, and a New England lobster bake will also enhance this special journey to Cape Cod.

\$1,469.00 including air from Chicago
